Dear Maria,

I wanted to let you know that I am very impressed by your talent and the artistic skills that you have shown. I am equally impressed with your abilities to paint large surface murals, as well as your abilities in fine art. These two talents of yours are coming together very nicely in some of the examples that I have seen of your work.

I am delighted that you are using the FrescoMaster technique effectively and that your participation in my lectures have proven beneficial to both your composition abilities and to the artistic talents that you are displaying.

It is excellent to see that you are progressing in your abilities and I look forward to a mutually successful and beneficial cooperation in the future.

Warm regards
